If **You** have no option but to cancel the travel arrangements **You** have made after taking out this Insurance for the reasons listed below, **We** will pay for travel and accommodation cancellation charges that **You** have contracted to pay and cannot recover from any other source, but excluding Airmiles and similar promotions.

- i) A claim will be accepted for cancellation because of the death, serious injury, illness, of **You** or **Your Dependant Business Partner**, travelling companion or **Close Relative** upon whose health the travel arrangements will depend, providing the reason for the cancellation has its origins after this Insurance has commenced.
- ii) A claim will be accepted if **You** are called for jury service or as a witness in a Court of Law or due to unforeseen occupational posting overseas or exigencies of HM Forces not relating to war conflict operational deployment, the cause of which has its origins after this Insurance has commenced.
- iii) A claim will be accepted if **You** are made redundant and qualify for statutory notice of redundancy, when the redundancy has its origins after this Insurance has commenced.
- iv) A claim will be accepted if **Your** home is made uninhabitable due to fire or extreme weather conditions or malicious damage up to 7 days before departure, if the police require **You** to attend **Your** home or business following burglary, or if travel is prevented by Government restriction following an epidemic. Providing the cause has its origins after this Insurance has commenced.

Any cancellation that is necessary must be notified to **Your** travel agent or operator as soon as possible as any delay may increase cancellation

charges which will not be accepted.

The maximum that can be paid is GBP1,500 after **You** have paid the standard excess of GBP50. For Loss of Deposit claims, the standard excess is reduced to GBP12.50 for UK, Channel Island, Isle of Man or Republic of Ireland holidays per **Insured Person** and GBP20 per **Insured Person** for Europe holidays.

If it is unavoidable that **You** have to curtail **Your** travel arrangements and return to **Your** home because of the death, illness or serious injury to a **Close Relative** in the UK, where the origin of the reason for curtailing is after the departure from the UK and is not a **Pre-Existing Medical Condition**, **We** will pay the necessary and reasonable transport costs from **Your** point of international departure to the point **You** reach the UK up to GBP1,500 per **Insured Person**.

If **Your** original tickets cannot be used or in respect of UK holidays, **We** will pay up to GBP100 each **Insured Person** for necessary and reasonable transport costs for **You** to return home if **Your** original tickets cannot be used.

We will also pay a proportion of the holiday cost represented by the balance of the days unused once **You** have returned home.

The maximum that can be paid is up to GBP1,500 after **You** have paid the GBP50 excess.

Section B Medical Expenses

1. Medical, Repatriation and Associated Expenses.

If **You** require medical treatment outside of the UK during the Period of Insurance for illness or injury the origins of which are after the date of departure, or which were previously to and accepted as a stable condition by **Us**, **We** will pay necessary, reasonable and customary local charges that are: hospital charges, doctors and specialists fees, medication costs, ambulance or other transport cost for the initial admission following:

- i) Inpatient treatment at a licensed hospital or Clinic, but not private clinics in the European Union unless agreed in advance with the Assistance Company. Immediate contact with the Assistance Company will identify the appropriate medical facilities and provide payment advices when the Assistance Company agrees they are required.
- ii) Outpatient treatment from licensed hospitals or clinics which must be paid by **You** and which can be refunded when supported by receipted invoices showing treatment received. Whenever agreements with the UK such as those accepting the EHIC. Immediate contact with the Assistance Company will identify the most appropriate facility.
- iii) Dental costs up to GBP250 for **You**, but only sufficient treatment for the immediate relief of pain.

Any losses claimed for under i), ii) or iii) above must be necessary and unavoidably incurred and not include treatment which can reasonably be delayed until returning to the UK.

IMPORTANT: If an illness or injury requires inpatient treatment, the Assistance Company must always be contacted immediately to ensure a suitable hospital is used. Wherever it is available, a hospital with reciprocal agreements, such as the EHIC, must be used. For outpatient treatment, the Assistance Company should be contacted whenever possible to ensure a suitable hospital/clinic is used.

- iv) Where the Assistance Company agree it is necessary for the **Insured Person** to return home early on medical grounds, the additional cost of transport will be covered by this Insurance and where the Assistance Company agree on medical grounds that it is necessary to remain longer in resort then the additional accommodation costs also be met on a bed and breakfast basis.
- v) If it is considered medically necessary by the Assistance Company that a member of the party should stay with **You** because **You** are ill or injured, or that a person should travel from the UK to be with **You** then these costs will also be covered on a bed and breakfast basis.

- v) The cost of transporting your remains to **Your** former place of residence up to GBP7,500 or funeral expenses incurred outside of **Your** home country up to GBP1,000.

For UK, Isle of Man and Ireland holidays only, this Insurance will pay for additional transport and accommodation costs required by **You** following **Your** illness or injury or for a person required on medical advice to be with **You**. This cover is subject to the illness or injury concerned having its origin after the departure date and does not include private medical or convalescence costs or taxi fares except where used in lieu of an emergency ambulance. Repatriation must be arranged through the Assistance Company. In the event of death, this section includes the reasonable costs of transporting **Your** remains to **Your** normal UK residence. The maximum payable is GBP1,000 per **Insured Person** after the standard excess of GBP12.50 has been paid by each **Insured Person**.

The maximum amount payable for medical and other expenses within this section of the Insurance is up to the maximum of GBP5 million in total after the standard excess has been paid by each **Insured Person**.

However, **You** will not be required to pay any amount towards an admissible claim following illness or injury outside the UK if **You** use of an EHC to obtain medical treatment (or **Your** treatment in a country outside of the EEA under a reciprocal healthcare agreement with the UK) actually results in a saving of cost to **Us**.

Note: This insurance does not cover any expense incurred more than 12 months after the occurrence of the illness or injury.

2. Inpatient Benefit

Should **You** be hospitalised outside of the UK, as a result of illness or injury covered by this insurance, **We** will pay GBP10 for each complete 24 hours of **Your** hospitalisation up to a maximum of GBP600. This payment is to offset any out of pocket expenses and is in addition to any Medical Expenses paid.

Should **You** be hospitalised within the UK, as a result of illness or injury covered by this insurance, **We** will pay GBP10 for each complete 24 hours of **Your** initial hospitalisation up to a maximum of GBP100.

Section C Personal Accident

This section does have some important words which are defined at the end of the section.

This section provides a lump sum payment when **You** have suffered accidental injury during the Period of Insurance and that injury is the cause of **Your** death or disablement and has occurred while travelling as a fare paying passenger on public transport or a coach tour.

We will pay one of the following benefits only:

1. **Your** Death, orGBP10,000
2. Lose the sight in one or both eyes or loss of a limb.....GBP10,000
3. Permanent total disablementGBP10,000

If the **Insured Person** is under 18 years of age at the time of the injury then the death benefit 1) is limited to GBP1,000

If the **Insured Person** is of State Pensionable age at the time of the injury the benefit 3) will not operate.

Definitions specific to this section:

INJURY means physical bodily injury caused solely and directly through accidental, external, violent and visible means.

LOSS OF A LIMB means loss by permanent physical severance of a hand at or above the wrist or of a foot at or above the ankle, including the permanent total and irrecoverable loss of use of a hand, arm or leg.

LOSE THE SIGHT means the complete and irrecoverable loss of the sight of one or both eyes.

PERMANENT TOTAL DISABLEMENT means **Your** total disablement from engaging in any gainful employment for twelve calendar months and at the end of that time being beyond hope of improvement.

Section D Travel Delay

Travel delay

This section of the Insurance pays a fixed amount if the aircraft, sea vessel or train is delayed beyond the latest international departure times given in **Your** itinerary. If the travel is by coach then the delay must be the departure of the first outward leg or first return leg of the trip. If the delay is because of a strike or industrial action then it must be publicly declared after the Insurance has been issued and after **You** have booked the trip, whichever is the latter.

We will pay GBP20 for the first 3 hour delay and GBP10 for each subsequent 3 hour delay, up to a maximum of GBP60 for UK trips or GBP20 for the first 12 hour delay and GBP10 for each subsequent 12 hour delay up to a maximum of GBP60 for non-UK trips.

If the departure of the coach, aircraft or sea vessel is delayed by more than 24 hours from the time that **You** checked in, **You** can choose to abandon **Your** travel. If **You** opt to do this, **We** will pay the cancellation charges as would apply in the cancellation section of this Insurance instead of paying a delay benefit and the standard policy excess shall be payable by **You**.

A revised itinerary or a cancelled flight or Tour does not constitute delay, **You** must check in for **Your** departure. This section does not operate if a claim is met under the Missed Departure section.

Missed departure

If **You** miss the departure or check-in time of **Your** flight at **Your** final point of departure as a result of an accident involving **Your** transport or it's mechanical breakdown, the failure of public transport, or severe weather conditions not forecast before **You** commence **Your** trip, this Insurance will cover reasonable travel and accommodation costs for the direct travel to **Your** destination.

Providing that any private vehicle is properly maintained and any breakdown can be supported by a repairer's invoice and sufficient time has been allowed for the journey, the maximum that can be paid if up to £100 for UK trips and £400 for non-UK trips each **Insured Person** after the standard excess of £50 has been paid by each **Insured Person**. This section does not apply if a claim has been met under Travel delay.

Section E Personal effects baggage, money and travel documents

This section covers personal property during the Period of Insurance belonging to the Insured Person being cases, holdalls and the like, clothing and personal effects but not contact or corneal lenses, spectacles, sunglasses, telephone equipment and their accessories, money, or documents of any kind or any items left in a vehicle.

In the event that **Your** holiday property, other than valuables, is lost, stolen, or damaged, the maximum that can be paid is GBP1,000 per **Insured Person**, but in any event not more than GBP200 for any one item or pair or collection of items, whether solely or jointly owned.

Any payment is subject to **You** taking proper care of **Your** property and not leaving it unattended other than in secure accommodation or as checked in luggage with a tour or travel company.

In the event that **Your** personal valuables are lost, stolen or damaged **We** will pay for any one item or pair or collection of items whether solely or jointly owned up to a maximum of GBP200 in all per **Insured Person**.

Any payment is subject to **You** taking proper care of **Your** valuables and not leaving them unattended other than in a safety deposit box or room safe. Whilst travelling, valuables or fragile articles are only covered in hand luggage or upon **Your** person.

The maximum payable overall under this section of the Insurance is GBP1,000 per **Insured Person** after each **Insured Person** has paid the standard policy excess of GBP50 of the claim.

Note: Any payment made under this section of the Insurance will take into account the age, wear and tear where applicable. Damaged property must be retained for inspection in the UK.

If **You** are temporarily without **Your** property on arrival for more than 12 hours at **Your** final outbound destination because it has been lost or misdirected by the Airline or Tour Operator, **We** will pay up to GBP100 per **Insured Person**, for the purchase of essential personal items. Receipts should be provided with the normal claim requirements. If the property remains lost then the items replaced under this part of the Insurance become part of the overall claim and not an additional payment.

A claim must be properly supported with:

A police report and tour operator's representative's report obtained within 24 hours of the loss or theft.

A Property Irregularity Report if **Your** carrier has lost, damaged or delayed **Your** property. Evidence of ownership and value of the items concerned.

Money, Documents and Passports

This section of the Insurance cover money (comprising of currency notes and coins), documents (comprising of tickets, accommodation, vouchers, petrol coupons, and green card) and passports, during the Period of Insurance.

In the event of loss or theft where **You** have not left the items unattended except in a hotel safety deposit or room safe, or failed to take proper care in the protection of money, documents and passports, **We** will pay:

- i) Up to GBP250 money for an adult, GBP50 money for a child (under 18 years of age)
- ii) Documents at their cost or redemption cost whichever is lower.
- iii) Up to GBP100 overall for travel and other expenses whilst overseas to obtain replacement of a lost passport.

The claim must be properly supported with a police report and tour operator's representative's report, obtained within 24 hours of the loss or theft, evidence of ownership and value for the amount claimed. Travellers cheque losses must be claimed from the issuing company.

Section F Personal liability

If **You** are held legally responsible for injury to another person or damage to their property, then providing this happened during the Period of Insurance and **You** have not caused the injury or damage deliberately, or admitted liability, made arrangements or offers or promises without consent of Underwriters, **We** will pay up to GBP1 million for **Your** legal representation and/or damages awarded against **You** if agreed by Underwriters. The injury or damage to property must not relate to a member of **Your** family, someone working for **You** or a travelling companion.

This liability section of the Insurance is to cover **Your** actions as a private individual but does not extend to include **Your** profession, occupation or business, property in **Your** care, the use of any vehicle, air or water craft, or animals in **Your** care or control, or legal responsibility which only arises because of a contract **You** have entered into. If **You** are held responsible for damage to temporary rented accommodation any claim accepted by Underwriters will be after the first GBP250 has been paid by **You**.

Section G Legal expenses

This section provides up to GBP5,000 for legal costs and expenses incurred by **You** in the pursuit of compensation and/or damages against a third party following **Your** death or injury during the Period of Insurance. Underwriters shall only pay expenses incurred with the written consent and subject to you paying the first GBP100 of Underwriter's expenditure.

In controlling costs incurred **We** will not extend the expenses to include any costs or claims where **We** consider there is insufficient prospect of success, or a claim reported more than 60 days after the event, or where the claim is against a travelling companion or family member, the travel agent, operator, Underwriters or their agents.
